Relevant Experience

Youth Soccer Coach, West End Soccer, Hartford, CT

9/2011 - 6/2015

- Coached four soccer teams with players from ages seven to fourteen and led two teams to win end of the season championships
- Recruited 12 players from surrounding neighborhoods within one year, which increased membership and diversity
- Developed drills used by all coaches which drastically improved player's ball control, footwork, reaction and tactical thinking
- Collaborated with president of soccer club to establish partnership with adidas and obtained 200+ custom adidas jerseys to distribute to players and coaches per year

Volunteer, Chrysalis Center, Inc, Hartford, CT

12/2013 - 4/2014

- Launched household item donation center to reward and support patients recovering from substance abuse, post-traumatic stress disorders and mental disorders which resulted in collecting 3000+ household items
- Communicated with executives from three large, local companies and created a donation system within their organizations and obtained 1134 household items
- Directed nine student volunteers from different towns on how to collect donations from respective schools and form donation relationships with local businesses

Activities

Member, EPIC

4/2016 - Present

- Collaborate with 16 members to create weekly events focused on useful skills in programming (i.e. api usage) with an average attendance of 80 students

Mentor & Tutor, Evanston Township High School

4/2016 - 5/2016

- Guided ~20 underserved high school students through exam preparation and homework assignments
- Advised five high school students through academic and non-academic issues

Tutor, Catholic Charities, Hartford, CT

8/2014 - 4/2015

- Instructed 11 middle school students from underserved backgrounds in math, science, english and Latin
